TALENT NEEDED

Communications Specialist (Volunteer)

The Formation Committee serves the entire Vincentian base within the Archdiocese of Galveston-Houston. The FC provides formation experiences, training, and development opportunities for conferences, leaders and members.

The FC has a lot of experiences available to Vincentians to serve at program levels that impact health and vibrancy of conferences.

We need a Communications Specialist who can help with multiple campaigns to increase awareness, to increase registration for events, and to direct Vincentians to formation resources.

The Communications Specialist will ensure members of the Society have access to key messages and opportunities for involvement. The Specialist will create engaging content for various platforms such as newsletter articles, social media posts, website sections, and special announcements to inform and invite Vincentians to participate in its service opportunities.

The CS must be an active or associate Vincentian as it is important to understand and live the tenets of the Society. The Specialist is a volunteer with the Formation Committee.

The Vincentian who will fill this role:

- Is experienced with creative writing, marketing collateral and/or website content.
- Enjoys writing interesting announcements that inspire other Vincentians to sign up for trainings.
- Is a creative story writer who enjoys sharing details of successful formation experiences.

- Is available approximately 10 hours per month.
- Will report to the Formation Committee Chairperson.

If the Holy Spirit moves you to consider this, please contact Milista Anderson, Formation Committee chair at Milista.Anderson@svdphouston.org or 713-553-5922.
